

THANK YOU Wheatbelt Steel!

A huge thank you to Shayne Lucy and Wheatbelt Steel for the great deal on our undercover structure. During events we now have a sheltered area for the BBQ lunch and general socialising, with protection for the Club's tractors and equipment at other times.

BORMSA's new undercover area

It was a fantastic job by the assembly team at the July Busy Bee – Cam, Iain, Mark, Matt, Rob, Shayne and Wayne. Special thanks to Cam, Mark & Shayne for coming back for more and finishing the sheeting work.

July Khanacross (KX)

Perfect weather conditions at Beverley on the weekend allowed a strong field of 23 entries to thoroughly enjoy the 13 khanacross tests on offer at BORMSA. Jason and Barry from WA Superlites took advantage of a break in their events to try out the BORMSA tracks with winning times. Tim Ralli showed he hadn't lost any of his KX skills by coming home as first traditional 2WD in the lancer, after battling all day with Pete Dixon's excel, which had an unfortunate clutch issue to end the day on the tow rope. It was great to see Darryn & Ian not only race, but finish, after ten months of extensive repairs, both in the Top 10. Congrats also to the large contingent of first time KX competitors who set some great times and had an enjoyable day. Top 5 results:

Jacob's first JMK at BORMSA

July Junior Motorkhana (JMK)

Kieran Nevin showed some driving flair and took the win and a \$20 BORMSA voucher at the Junior Motorkhana at BORMSA on Saturday. After re-checking the maths several times, it is confirmed that Alex Nevin (2nd) & Jacob Bruinsma (3rd) were split by only 0.65 seconds after 18 motorkhana tests were run!

Congratulations to all drivers on their efforts - particularly the Reversing Tee Slalom! Many thanks to the McNaughton & Nevin families for their assistance with the event.

Garry's Arctic Cat loving the muddy conditions

May Autocross (AX)

Incredibly wet and muddy conditions faced competitors for the May Autocross. Congratulations to Garry Connell who took the win in his Arctic Cat at BORMSA on his first visit to Beverley. A great effort by Garry Butler (Ford Escort) as first 2WD home (and winner of the \$75 BORMSA voucher), followed by Justin O'Malley in the WRX and Pete Dixon in the Excel. Tim Ralli proved he hasn't lost his driving skills, closing out the Top 5 on his first ever competitive outing on the Autocross track after 3 years surveying the action as Event Secretary.

Jump starts caught out a few, with 2012 BORMSA Khanacross champ Cam Moody (19th) missing out on family bragging rights to Wally (14th), fellow jumpers included Andrew (18th) & Sean (17th). Matt (16th) discovered that windscreen wipers are essential in muddy conditions at BORMSA, getting into strife on his first run.

After 5 tests final results were:

- | | |
|-------------------|----------|
| • Garry Connell | 10:16.12 |
| • Gary Butler | 10:35.43 |
| • Justin O'Malley | 10:37.67 |
| • Pete Dixon | 10:51.88 |
| • Tim Ralli | 11:02.24 |

April Autocross (AX)

Congratulations to Daymon Nicoli in the Commodore taking the win and \$75 BORMSA voucher in the first BORMSA Autocross of 2014. Tim Bayer followed in second place, with Brock Nicoli's Test 4 DNF dropping him back to third place after challenging strongly for victory. A great effort from Wally & Sindy who traded in their officials hats to compete in their first autocross events at BORMSA.

The new race control worked really well and thanks to all who helped get it installed at the Busy Bee. Thanks very much to all officials who helped out and congrats to Tim Bayer on winning the prize draw for all competitors and officials over the weekend.

After 6 tests final results were:

- | | |
|------------------|----------|
| • Daymon Nicoli | 12:46.45 |
| • Tim Bayer | 13:12.05 |
| • Brock Nicoli | 13:19.23 |
| • David McDonald | 13:21.83 |
| • Mark Stevens | 13:24.34 |

April Junior Motorkhana (JMK)

The first BORMSA event for the year was a Junior Motorkhana on Saturday 19 April, with 9 tests run. It was a strong performance by Nick King to take first place and the \$20 BORMSA voucher in a time of 6:15.87. In the runner-up position was Jordyn Hunter with 9:19.63, keeping the car intact for Rex & Sindy to race on Sunday. There was also a great effort by Seryina Hunter, driving for the first time ever, to finish in 11:03.37 and claim a win on Test 3. Many thanks to Neal Johnson for running the Motorkhana.
